

Good Morning Mariela

There is now only 10 days to go before the 2- day **DANA Latin America Timberland and Agri-land Investment Conference** commences in Rio de Janeiro on 25 August.

Planning is now complete for this two day premier event, which is followed by a field trip to Curitiba on 27 August.

Already more than **140 delegates** from **17 countries** have registered, and with more confirming every day. We have recently had to reserve a bigger room, as we have many more delegates than we had budgeted for (and more to come). **This will be a truly “International” Latin American Investment Conference.**
